intro:

G D A Bm G A D

verse 1:

          G                  D  
When the sky cracks open  
          A                  D  
And the stars shine through  
                  G                  D  
When the streetlights come on  
          A  
And there's no one left but you  
          G                  D  
When you sit around and wonder  
          A                  D  
If your voice is coming through  
          G          A          G          D  
i'm gonna find my way back to you

verse 2:

          G                  D  
When your world keep spinning  
          A                  D  
and your lost in your mind  
                  G                  D  
When you haven't got the will

**A**  
to keep fighting this time  
**G D**  
And you're underneath the covers  
**A D**  
and no light can get through  
**G A G D**  
I'm gonna find my way back to you

**chorus:**

**G D A D**  
I'm gonna find my way back to you  
**G D A**  
I'm gonna find my way back to you  
**G D A Bm**  
like the northstar in the sky when the storms passing through  
**G A G D**  
I'm gonna find my way back to you

**INSTRUMENTAL BREAK**

**G D A Bm G A D**

**VERSE 3**

**G D**  
When you think you've had enough  
**A D**  
and you're holding your last breath  
**G D**  
loneliness takes its toll  
**A**  
and you're counting your regrets  
**G D**  
won't you let me be your shelter  
**A D**  
hear my voice coming through  
**G A G D**  
I'm gonna find my way back to you

**CHORUS (MIGHT DO DOUBLE CHORUS TBD)**
